Each of us sometimes wants to retire to a beautiful and cozy wooden house on the shore of a reservoir far from the bustle of the city, enjoy the clean air and greenery of untouched nature!

We offer you a unique eco-tour into the bowels of untouched wild nature

Duration 4 nights / 5 days

Included in the price:

- Flights Moscow-Khabarovsk-Moscow or Railway tickets Vladivostok-Khabarovsk-Vladivostok
- Shuttle service
- Translator
- Nutrition
- Accommodation in Khabarovsk
- Accommodation at a recreation center in the taiga (wildlife photography, recreation fishing, fishing equipment, banya, etc)
- Excursion
- Insurance

Day 1

- Arrival in Khabarovsk.
- Transfer to the recreation center, check-in, rest. Walk along the Amur River, sports equipment rental (bicycles, quads etc.). Lunch.
- Bus tour of the city to the main attractions of Khabarovsk. Evening walk along the boulevard, near with singing ponds with a spectacular light show.
- Dinner at a restaurant of Russian national cuisine.
- Return to the hotel.

Day 2

- Breakfast at the hotel.
- Departure to the forest recreation center, which is located 200 km from Khabarovsk, so we go to the heart of the Far Eastern taiga. Travel time is 5 hours with stops at a mineral spring and then we will have small snack on a mountain river.
- We arrive at a small recreation center, then settle in the houses. There are no one besides our group, as well as the employees of the tourist base.
- We have lunch and go on a fact-finding tour of the territory. There is a mountain river near the houses, where you can go in for sports fishing, walk to the aft places of wild animals, so you can do photo hunting. Many seasonal wild plants (berries, mushrooms, herbs) also grow in the forest.
- Dinner. Preparing for the banya, you will learn how to chop wood and knit brooms.
- At your request, we can give you workshops on making Russian dumplings (pelmeni and vareniki). As well as workshops on wood painting, woodcarving, making doll amulets, patchwork, handmade cosmetics and making a dream catcher.

Day 3

- Breakfast.
- Experienced guides will make your vacation is comfortable. They will introduce you to the river, its inhabitants and their habits. They will tell you about the nuances of working with gear and lures. If you do not have experience, they will teach you how to install the gear and the basics of casting. They will explain how to detect and outwit the cautious large salmon and get the long-awaited bite. They will help to remove the animal and take the photo and video of the moment of struggle and victory! Closer to noon, we choose a place for lunch. Caught fish are necessarily released. You can keep fish for yourself only according to the license (grayling, lenok, northern pike, etc.).
- Then we return to the camp, heat up banya and relax. Dinner. Banya. Workshops will be according to your desire.

Day 4

- Breakfast.
- We go for a walk in the forest, gather seasonal wild plants (berries, mushrooms, herbs).
- Lunch.
- We return to the city, stay at the hotel, rest, free time.
- Dinner.

Day 5

- Breakfast.
- Transfer to the airport/railway station.
